Engineering Career Day for Young Women

Sponsored by The Goodyear Tire & Rubber Co.

Saturday April 17, 2010

8:00 am to 2:00 pm

At Firestone High School in Akron

Come to a one day FREE and FUN event for young women
in grades 6th through 12th.

Register to attend at www.goodyear.com/careerday

Deadline to register is March 26, 2010

- Meet local women engineers from a variety of companies and learn what they love about their jobs.
- Check out college engineering programs and the advantages they offer.
- Test your creativity and problem solving skills in hands-on activities!
- Hear about different types of engineering.
- For parents there are seminars on college financial aid.
- **Seniors, apply to win a college scholarship.** Download the application from www.goodyear.com/careerday. Deadline to apply is March 12, 2010.

Space is limited, so register now.

You will like what you see!
